The Organization of American Kodály Educators (OAKE) cordially invites you to sponsor or be an exhibitor at our national conference in **Jacksonville, Florida March 16-19, 2023.**

This year's theme is **Kodály for a Bold New World.** We expect over 500 conference attendees all deeply committed to growing their craft in music education; music teachers, administrators, and higher education faculty. Additionally, over 450 students and their families from across the U.S. come together to sing in our five National Choirs.

OAKE is a national music organization dedicated to professional excellence in teaching music as inspired by the Kodály Concept of Music Education.

You play an essential role in the success of our conferences and mission throughout the year.

The attached information lists sponsorship, exhibit, and advertising options. **January 20<sup>th</sup> is the deadline for Sponsorships and discounted "Early Bird" Exhibitor reservations.** Although we will continue taking Sponsor / Exhibitor reservations until March 10th, we recommend being in communication much sooner to reserve the best fit for you at the discounted rate, take advantage of advanced promotion, and be included in print materials.

We hope that you will consider exhibiting or being a sponsor at our conference. Your presence will make a significant contribution toward promoting quality musical education.

Sincerely,

**Nancy Johnson**
