

National Conference Choirs FAMILY BROCHURE (Student Info Form included)

Your child has been identified by their music teacher as a potential participant in the **OAKE National Conference Choirs in Chicago, Illinois!**

Young musicians will prepare in advance, then participate in a rigorous 4-day rehearsal schedule **March 13 - 16, 2024** (Wed - Sat), culminating in a final performance the evening of Saturday March 16, 2024. Many families have found this choral endeavor to be life-changing for their young singers.

Please visit the OAKE website and speak with your music teacher to learn more. If your family commits to the dates and financial obligations, complete the Student Info Form and return it to teachers, who will then work with singers to complete the audition process.

What is the OAKE National Conference and the National Conference Choirs?

The **Organization of American Kodály Educators** has a mission to support music education of the highest quality, promote universal music literacy and lifelong music making, and preserve the musical heritage of the people of the United States of America through education, artistic performance, advocacy and research.

The **OAKE National Conference** occurs in a different city each year, bringing together music educators and clinicians over the course of four days and culminating in the performance of singers selected to participate in the National Choirs. Audition-based **OAKE National Conference Choirs** are each led by a nationally renowned conductor. Accepted singers will learn and memorize the music at home with their own teachers before going to the conference city.

How Does the Audition Work and What Happens if My Child is Accepted?

Please visit the OAKE website and speak with your music teacher to learn more.

- **If your family can commit to these dates and financial obligations**, complete the *Student Info Form* and return it to teachers who will then work with singers to complete the audition process. Many audition for this artistic experience and acceptance into the choirs is not guaranteed.
- **\$26 audition fee:** must be paid for auditions to be considered. Your teacher will email you a payment link unless your school is covering that cost. You do not need to create any accounts.
- **Full financial commitment, if accepted: \$300 registration fee, plus travel and hotel!** Once accepted, choir registration and fee are a very quick turnaround in December. Do estimate other travel expenses.
- **Should your singer be accepted**, register quickly by the deadline, then music packets will be shipped to teachers who will work with singers to prepare! The OAKE website will have all the info you need and we'll alert you to updates by email.
- **Families must stay at the official conference hotel:** It's close to rehearsals and these reservations defray the cost of rehearsal space and other aspects of the choirs which would otherwise drive up the cost of registration itself. Plus, it's just fun to see everyone, including the teachers enjoying their own professional conference!
- **Travel plans:** Be at the conference hotel in time for Wednesday afternoon Check-in and Orientation. Concerts are Saturday and we recommend Sunday departure.
- **Supervision:** The OAKE National Conference Choirs Committee will take care of students only during rehearsals. Families or a designated chaperone must accompany them during all down-time, including meal breaks. The rehearsal schedule will be finalized in the weeks just prior to their trip.

Please be mindful that if your singer is accepted but then turns it down, another deserving singer has lost the opportunity.
